Fax: 419-626-5477

Description

SealBest "Ultra Concentrated" Sprayable Roof Cleaner is an environmentally friendly water based cleaner featuring superior cleaning action.

Uses

For cleaning asphalt and cedar shingles, EPDM, SBS and APP modified bitumen, mobile homes, campers and RV's. Also ideal for use on wood decks, composite decks, and vinyl and aluminum siding.

Coverage

One gallon of concentrated roof cleaner makes enough solution to clean up to 2,250 sq. ft. of surface area.

Directions

MIXING: Mix at a ratio of 1 part Sprayable Roof Cleaner to 15 parts of water. Add water to hand-held sprayer or pail first and then add sprayable roof cleaner to water. Stir thoroughly.

Important

Work in small areas at a time (20 sq. ft. or less).

Application

Apply mixed roof cleaner with a garden type sprayer or apply manually with a brush. Scrub with a stiff brush to remove dirt and stains while roof cleaner is still wet. Avoid letting roof cleaner dry completely before rinsing with water. Rinse thoroughly with water.

Note

Severely stained areas may require repeat applications.

Clean Up

Wash tools with water.

Precautions

- Do not Heat or Thin
- Do Not Freeze
- Do Not Store at Temperatures Below 50°F

Safety and Environmental Precautions

- Refer to Material Safety Data Sheet Before Using
- For Exterior Use Only
- Apply in a Well Ventilated Area
